

## Careers Fair, Bedford Hospital, Bedford

A Careers Fair at Bedford Hospital has been organised to assist school leavers and our Foundation doctors to increase their understanding of various medical specialities. The event will promote pathology and aim to increase understanding of the specialty and the vital role it plays in modern health care, although all medical specialities will take part in this event.

Audience: Local Schools, School leavers and Foundation Doctors

Can members of the public attend? Yes

Minimum age: 16

Capacity: 100

Advance bookings: Yes

Refreshments: Yes, a cold buffet, sandwiches and drinks will be available

Contact: Sandra Thacker
