

Mother and Child, St. Bernard's Hospital, Gibraltar

The Department of Pathology Services, St Bernard's Hospital, Gibraltar, will be opening its doors to the general public. There shall be an exhibit entitled 'Mother and Child' and biomedical scientists shall be available onsite to explain the tests we provide related to this theme.

Separately but linked to NPW, IBMS Gibraltar Branch is hosting its 2nd International Conference of Biomedical Science. This shall take place at The O'Callaghan Hotel on 11th and 12th November 2010. This event is multidisciplinary with guest speakers from Hong Kong, Morocco, UK and Gibraltar.

For more details please log onto our website or contact Audrey Smith audrey.smith@gha.gi to register your interest. This conference is IBMS CPD accredited.
