

Northern Ireland

[The Virtual Autopsy](#)

03/02/2012 10:30 - 12:00

Short description: This event continues on from the previous successful Virtual Autopsy sessions held in Northern Ireland. As well as the Autopsy, this year will also see the addition of a practical component, where pupils will be able to gain a more in depth knowledge of the anatomy of the heart & lungs.

[The Virtual Autopsy](#)

07/02/2012 13:00 - 14:00

Short description: The successful Virtual Autopsy Event once again stimulates the imagination as it takes viewers on a journey through the autopsy room to the pathologists' office.

[The Virtual Autopsy](#)

09/02/2012 13:00 - 14:00

Short description: The successful Virtual Autopsy event once again stimulates the imagination as it takes viewers on a journey through the autopsy room to the pathologists' office.

[Careers Fair](#)

25/02/2012 09:45 - 12:45

Short description: A careers fair for UCAS applicants, in particular those who are interested in studying Biomedical Science and other science subjects. We will be hosting a stand to provide information and advice about careers in pathology and related disciplines.

['Build a Healthy Baby' Workshop](#)

22/03/2012 11:00 - 13:00

Short description: Following on from the successful 'Build a Healthy Baby' workshop in 2010, this event will once again demonstrate the important contributions Pathology and other medical specialties make towards the care of mother and baby.
