

National Pathology Week

3–9 November 2008

What is pathology?

A FREE event organised by The Royal College of Pathologists

Your students are invited to take part in this hands-on multidisciplinary workshop about Pathology led by real pathologists.

Learn basic pathology skills

Is pathology like *Silent Witness* or *CSI*?

Careers in Medicine and Pathology

Discover how pathologists impact on our lives

Your students will be able to use microscopes to diagnose disease, handle objects and take part in role play.

4 November 2008, 10 –12
The Hunterian Museum at
The Royal College of Surgeons
35-43 Lincoln's Inn Fields
London WC2A 3PE
