

Prize Draw Now Open

To encourage you to register your events for National Pathology Year we are pleased to announce the introduction of a prize draw.

If you register your events by 31st March we will enter you into a prize draw to win a fabulous prize. You will be entered into the draw for every event you register so why not increase your chances of winning by holding several different events or by repeating the same event at different times of the year?

If you would like to hold an event but are struggling with what to do then please [Contact us](#) and we will do our best to help.

We look forward to receiving your event registrations and wish you good luck!
